Dear Parents/ Guardians,

October we have scheduled a parent/teacher conference for each class, it can be either in person ( one person per family) or zoom meeting ( no limitation of attendees) to discuss with your child’s teacher for their learning and social interactions at school, ect.

It is not mandatory but as a courtesy to you if you needed.

On Friday, October 29, from 3:15pm to 4:00pm , there will be a Halloween “Treat or Trick “for our children to have fun but under the CDC safety portal.

The Screen (屏風/秀麗門) by the front desk in lobby area is to divide the student dropping area and children in school activity area, those are easily to be tripped down. Please remind your child do not try to squeeze in or push those for curiosity. We had informed children in all the classes already, just needed your cooperation to be reinforced when your child is with your or their relatives.
