## Newsletter October 2024

**Our school will be closed on 10/4 (Friday ) for staff development.**

### Character education theme: Responsibility

October character education theme is "Responsibility". The focus of this theme is teaching the children to do what they are supposed to do and learn to keep good habits in bodily health. Children will learn the importance of hand washing, how to take care of their teeth, put on clothes, fold the blanket after nap time and clean up toys in the month of October. We will have the event " I CAN DO IT" in the end of the third week. Children need to fulfill the tasks of five centers including "I can wear my shoes", "I can wear my jacket", "I can clean up toys", "I can wash my hands" and "I know table manners" to win stamps or stickers

### Coming event:

#### Halloween celebration

We will have a Halloween celebration event on Thursday, October 31. Children will have fun in the costume parade and center activities. They can wear their costume to school that day, and we strongly encourage parents and children work together to create a costume from recycling material for our parade. Parents are invited to this event, and we may ask parents to donate some treats for our center activities. The detailed event plan will be sent out in the middle of October.

### Friendly Reminder

1. Extra clothes worn with the uniform must follow the dress code. Only blue and white are allowed. This includes shirts, tights and pants.
2. We have winter long sleeve uniforms in stock. Please check with the office if you need to purchase ones.
3. It is getting cooler in the morning. Please let your child wear or bring a long sleeve shirt or jacket to school, so he/she won't feel cold in the outdoor recess time.

### Jing Si Aphorisms:

- \*Wash your hands often to keep germs away.
- \*Hold your bowl and chopsticks nicely, sit up straight.
- \*Life has rules. Put away toys
